

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Martin Finston on 6/4/10.

The application has been amended as follows:

In claim 1 line 10, delete "it" and replace with "said terminal"

In claim 1 line 13, delete "its" and replace with "said core network"

In claim 4 line 10, delete "it" and replace with "said mobile user terminal"

In claim 4 line 15, delete "its" and replace with "said core network"

Allowable Subject Matter

2. Claims 1, 3, & 4 are allowed. The following is an Examiner's statement of reasons for allowance:

Claims 1, 3, & 4 are considered allowable since no prior art reference or combination of prior art references disclose or suggest the combination of limitations specified in the independent claims including:

"wherein each terminal distinguishes the core network to which said terminal is switched by receiving a location area identifier that includes: a core network identifier field and including the

core network identifier in said core network packet transmission" in combination with other claim limitations as specified in claim 1.

"wherein each mobile user terminal distinguishes the core network to which said mobile user terminal is associated by receiving a location area identifier that includes a core network identifier field and includes the core network identifier in said core network packet transmissions" in combination with other claim limitations as specified in claim 4.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
